

Resolution 2018-01

RE: Over/Under Payment of Property Taxes by Town of Manchester Property Owners

WHEREAS, the municipal treasurer collects property taxes due from property owners each year; and

WHEREAS, upon occasion the amount paid in full to the municipal treasurer is more than the amount due which requires the Township of Manchester to reimburse the property owner for the tax overage amount; and

WHEREAS, there are occasions where the refund to the property owner is pennies and it cost the township more money to draft a check and mail it to the property owner than what is actually owed to the property owner; and

WHEREAS, the Jackson County Treasurer requests that each township treasurer reviews the delinquent payment amounts at the end of the required collection period and requests the township cover any payments due to the county that are under the amount of \$2.00.

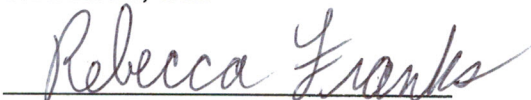

NOW THEREFORE BE IT RESOLVED the Manchester Town Board approves setting the amount of \$2.00 as the trigger point to reimbursement any property owner that may have overpaid their property tax to the municipal treasurer; and

BE IT FURTHER RESOLVED any tax overpayment amount under \$2.00 will be maintained by the township.

Manchester Town Board

Scott Barton, Chair

Rebecca Franks, Clerk
